## AUTHOR INDEX

In this Index are the names of the authors which have appeared in the *Archives*, the names of those who have read papers before Societies as published in the *Archives*, the names of those who have discussed papers read before Societies as published in the *Archives*, and those whose articles have been abstracted in the *Archives*. The (\*) preceding the page reference indicates that the article appeared in full in the *Archives*. The "d" following page reference indicates discussion. The "ab" following page reference indicates abstract. For subject index see page 756.
